PRODUCTION PROOF
Rev. 1, 13.09.2022
Artnr 100002-10mm

Marking: Digital print on band. both sides.

Important about design:
-As this is sublimation printing / heat transfer - small details might be lost.
-To ensure readability, use a evenly drawed font like Arial and make letterheight 3mm
-There will be bleeding from especially dark colors to lighter colors.
-For crisp prints intended for long time use 1-2 colors please consider silkprinted item
-Digital print, so PMS cannot be guaranteed and some times impossible but please mention "main" PMS colors like background for our reference.

Place background-color / repetitive patterns all the way to the bleed black line. Logos, and elements within pink line. Safety area is 1 mm within pink line.
MAIN BANDS. WILL UNLESS OTHERWISE NOTED BE PRINTED DOUBLESIDED.

Extenderpart. Normally copy backgroundcolor to this part. if put logo, it will only show in full on frontside (backside, the logo will be partially hidden by the stitching.
