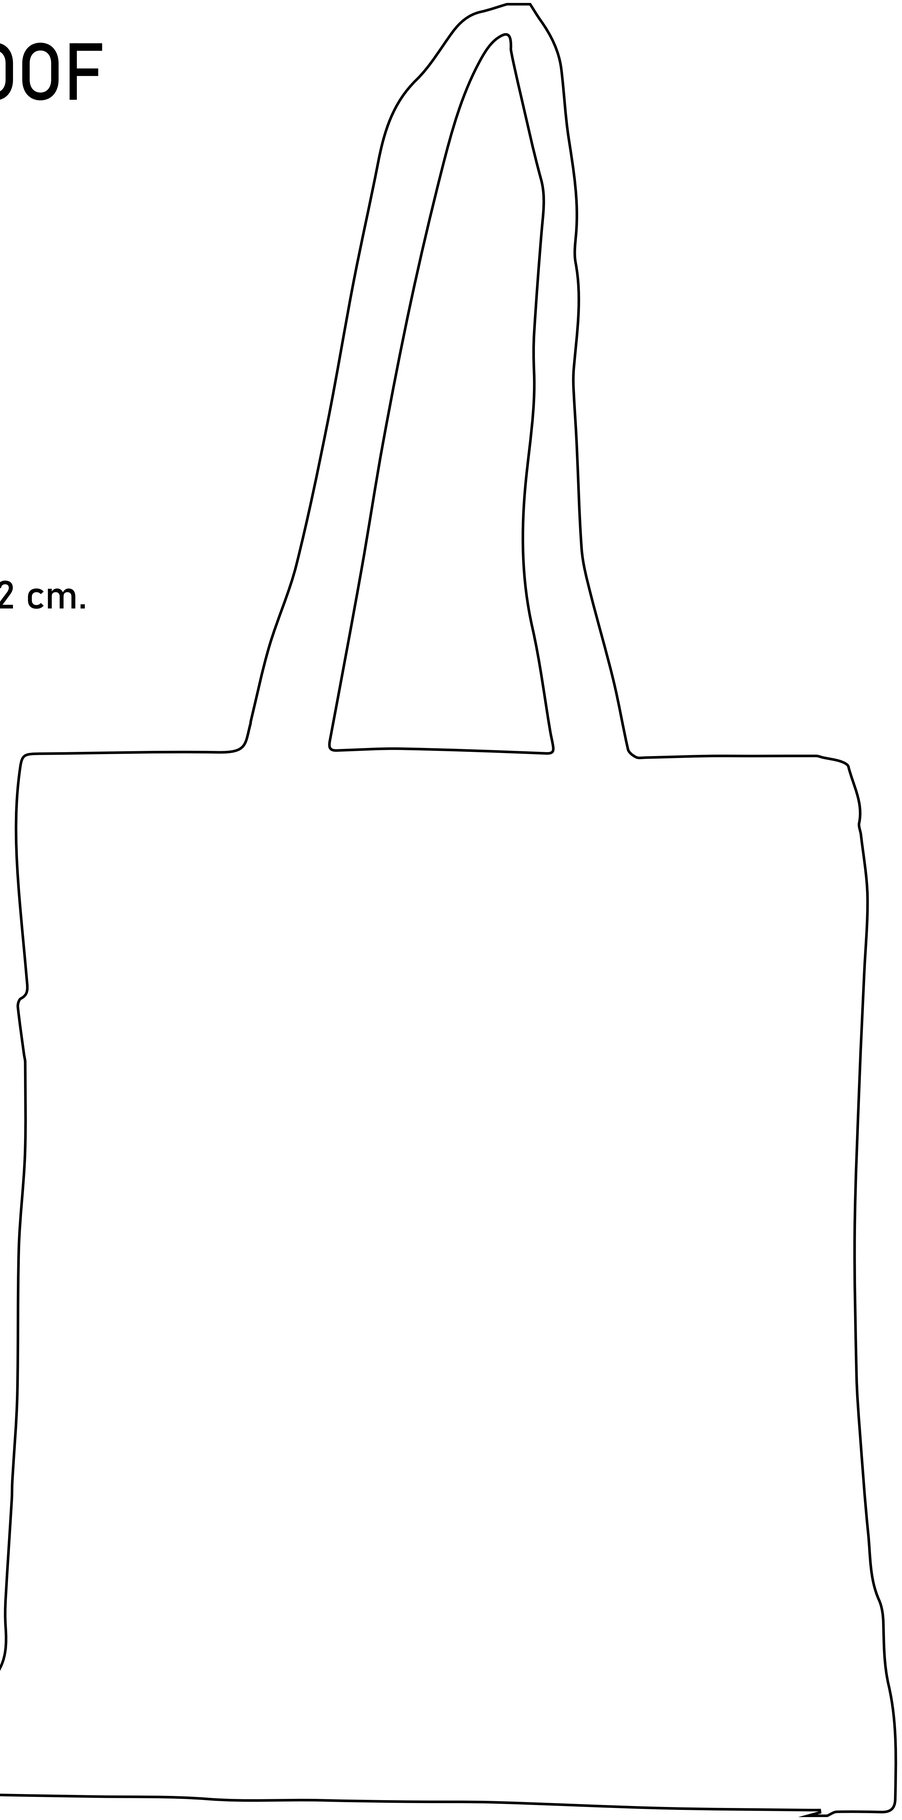
PRODUCTION PROOF
Rev. 1, 07.09.2022
Artnr 100003

Printing: Transfer print
Logosize: 20*14 cm

Instructions: pleace place logo 1:1 inside pink line under. If logo have white
not on background please add no-print color as background.
Also copy logo over to illustration on right to show placement. placement will be within +/- 2 cm.



Transferprint guidelines:
-Min line thickness 1 mm.
-CMYK print, PMS colors need extra fee.
-Max 70% printfilling of printing area.
-If logo is white, use pink background.
-Always make sure 100% of logotext is outlined!
-Be careful with thin/small elements. Consider if such
can have solid background since transfer is easy to loose from cotton
