*Must choose from Hat PMS MAX 3!

Use only vector logos. We can help vectorize, please contact us.
Make sure text is outlined.
There is no continuity between main hat body and brim.

To test your design, download the .ps-template, hide the guidelayer and copy/resize your art into the ps template.
Then reduce colortones to your amount of colors+2 you will get a roughly estimate on how it will look as worst case.
