PRODUCTION PROOF

Rev. 1, 14.10.2022
Artn nr 100019 Card deck

Marking: CMYK on cards and box all around.

Special considerations (This will be the same for all suppliersof card decks suitable as give-away)
-White no print of 3mm. is necessary on front of cards (cards are kisscutted)
-Backside can be uniform color, but if pictures/ gradients or similar also need white no print of 3mm fron edge.
-This is CMYK offset bulkprint, PMS not achievable and small colorchanges will/might occur.
-If PMS is necessary please contact us, but the price will be much higher.

Apart from that you are free to design every element here with whtever design you would like, also pictures and individual cards.

-Backside must/ should be same for all cards
-Box must be same for all cards.
-Cannot change content within the amound, e.g. if you want 250 with blue background and 250 with black, you need to order 250+250.
-When designing box, 1 mm difference can happend when bending, so if have different color on side,
let the front/back color bleed 1-2 mm over the edge.

55th card is standard as calendar. please specify what two years you want, or design your own stdr. You could even add your companylogo to 55th. card.
55th card could also be used as for instance businesscard for main contact of customer.

If no changes to carddeck except 55th. card, you only need to make design for box and backside on page 2. if you need also change
to individual cards, put your design on page 3.
