PRODUCTION PROOF

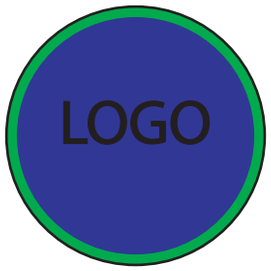
Rev. 1, 14.10.2022
Artn nr 100020 Button

Marking: CMYK

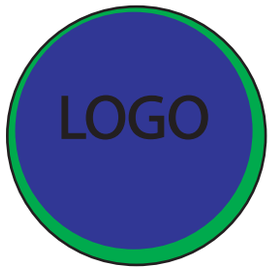
Not much to worry about here, just a few things:

-PMS not available. this is offset bulk print. cannot expect PMS.
-There will be margin on centering. Its not a good idea to have “visually defining elements” close to the button outer edge like a circle, square or similar.

Wanted result:



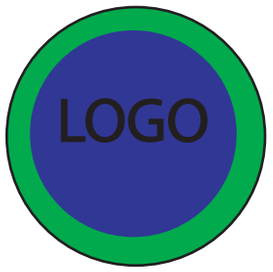
Will/might become like this:



Solution:

Make defining elements
20% from the edge

Might be like this:



..Then margin
of error wont show
so good.

Place your design within the pink circle. Add bleed out to the black line.
Remember to always outline all text!!!
